DENOMINACIÓ D'ORIGEN

### VARIETIES

Tempranillo - Merlot

### ALCOHOL CONTENT

### VINIFICATION

This red wine is made from Tempranillo and Merlot. In the final stages of its alcoholic fermentation, the wine is removed from the fermenting tanks and stored in stainless steel tanks where, during its first winter, it finishes maturing and stabilizing. It then passes through oak barrels for a minimum period of six months, after which a decision is made on the final coupage.

### TASTING NOTE

Cherry-red colour with an orange rim. The wine has a warm aroma into which ripe red fruits emerge with hints of vanilla. The result is a delightful spiciness, with a taste of berries mixed with cocoa and toasted notes provided by the oak.

### PAIRING SUGGESTIONS

Recommended with red meat, all kinds of roasts, stews, game and cheeses.
